¹ Accessible capacity may be less due to formatting, applications, and backup utilities.

² The internal modems on all Fujitsu Tablet PC's from Fujitsu PC Corporation are only qualified for use with telephone systems in selected countries, including the United States and Canada. For a list of certified countries, please check www.fujitsupc.com/modems.

³ Actual speeds over U.S. telephone lines vary, and are less than 56Kbps due to the current FCC regulations and line conditions.

⁴ Battery life estimates reflect the results of Ziff Davis Business Winstone 2001 BatteryMark 1.0 as performed upon systems with maximum battery life settings enabled. Actual battery life will vary based on screen brightness, applications used, features selected, power management settings, battery conditioning, and other customer preferences. CD, DVD, CD-RW, or hard drive usage may also have an impact on battery life.

⁵ Service and warranty turnaround time may vary by country and product. International warranty valid only for products purchased in North, Central, and South America.
